THE YAMAHA ADVANTAGE

The Arius YDP-143 digital piano provides authentic piano touch and tone suitable for any aspiring pianist. The Graded Hammer Standard (GHS) action with matte black keys builds proper fingering technique for an easy transition to playing on acoustic pianos. With an improved Pure CF Sound Engine, the YDP-143 delivers expressive recordings of Yamaha's concert grand piano. Now with 192-note polyphony you can handle the most demanding repertoire.
